

ADA Tax Credit

Gait Harness System purchase may qualify as an eligible access expenditure under the Americans with Disabilities Act. Please consult your tax advisor to determine if your small business may qualify for a credit of 50% of your Gait Harness System purchase, or up to \$5,000. Visit www.ada.gov for more information, or access the relevant ADA Fact Sheet at ada.gov/taxpack.pdf.

Section 179/H.R. 5140 - Election Year

Take advantage of IRS Section 179 Special Tax

Incentives to upgrade your clinic with [The Gait Harness System®](#)
The Unique Over-ground Trunk Support System

BEFORE IT IS TOO LATE...

The Economic Stimulus Act of 2008 Spurs Business Investment

A temporary change to the tax code that became effective February 13, 2008 makes it extremely beneficial for businesses to acquire CAPITAL EQUIPMENT.

Please contact your tax advisor to determine the specific impact to your business. The tax savings examples above are for discussion purposes only and do not constitute tax or legal advice. For more information or updates on tax code, please visit www.irs.gov or contact the IRS Helpline at: 800.829.4933

****In Addition.....for *private home user purchases*, please contact your tax advisor to determine whether your GHS or GHSII purchase *may qualify for a deduction as a medical expense* on your annual taxes.****
